2026 EDITION

March 31 & April 1 - Beffroi de Montrouge

## SPONSORSHIP PROPOSAL

✉ [sponsoring@flowcon.io](mailto:sponsoring@flowcon.io)

FlowCon France is a conference created for and by enthusiasts in the French and European Lean and Agile communities. For 10 years, our mission has been to promote and share the culture of Flow.

The FlowCon manifesto :

- **PRODUCTS** over projects
- **THE TEAM** over the individuals
- **THE VALUE** over effort
- **CONTINUOUS** over batches

### *Delivering product value continuously as one team*

For 10 years, FlowCon has been a must-attend event for the French Agile and Lean community, with an ambition to reach far beyond our borders. Led by renowned national and international speakers, the conference tackles the core challenges of modern agility.

We welcome a diverse range of participants :

- Decision-makers: Business leaders, CEOs, and board members.
- Leadership: CEOs, CTOs, CPOs, and HR Directors.
- Agile & Product Experts: Agile and Product Coaches, Scrum Masters, and Developers.
- Management & Design: Project Managers, Product Managers, and UX/UI Designers.

FlowCon is a non-profit organization (Association loi 1901) run by a team of fifteen volunteers. We are professionals working within organizations every day, facing real-world challenges, passionate about our craft, and dedicated to community sharing.

Our mission is to provide high-quality content in both French and English, delivered by local and international speakers. We aim to allow everyone—from beginners to experts—to learn, share, and exchange ideas in a warm and friendly atmosphere.

## The Organization Team

The conference is organized by Lean Kanban France, a non-profit organization (Association Loi 1901) led by Dimitri Baeli and Bastien Naudé. They are supported by 14 volunteers, including Damien Salvador (Treasurer) and Samuel Rétière (Secretary).

The organization's goal is to host the annual conference, meetups, and newsletters to spread knowledge about Flow and maximize the number of people discovering these practices.
